

CHECKLIST OF PURCHASING REQUIREMENTS
as per Appendix B – AS/NZS 4058

Purchaser and manufacturer to agree on the relevant AS/NZS 4058 requirements at the time of inquiry and when order placed. Refer to AS/NZS 4058 Section 6.					
Section 1. Pipe Details & Application:					
1.a Pipe Details					
- Size or nominal diameter DN		- Pipe length			
- Type of joint	- Rigid				
	- or Flexible	With elastomeric seal		Other (details attached)	
- Load class					
1.b Application					
- Drainage		Proceed to Section 3. Note: if watertightness test is specified, complete Sections 2a and 2b.			
- Sewer		Proceed to Sections 2a and 2b.			
- Pressure		Proceed to Section 2b.			

Section 2. Pressure Requirements					
Note: Section 2 only applicable where a pipeline is to operate at a specified working pressure or is to be field-tested for acceptance, or where watertightness is specified					
2.a Field acceptance tests:		No		Yes	
- Is the installed line to be subjected to a field acceptance test? (See note)					kPa
2.b Watertightness requirements for non-pressure pipe:		No		Yes	
- Has the watertightness test (90kPa) been specified? (See Note)					kPa
PROCEED TO SECTION 3					
2.c Pressure pipe requirements:		No		Yes	
- Is allowable working pressure (including dynamic or surge effects) specified?					kPa
- When establishing the working pressure has the specifier evaluated the installation conditions?		No		Yes	
- Is a factory test pressure specified?		No		Yes	kPa
Note: Refer purchaser/specifier to AS/NZS 3725 and AS/NZS 4058 to confirm the nominated tests are appropriate to the installation conditions and pipeline application					
PROCEED TO SECTION 3					

Section 3. Special Requirements					
Any special requirements?		No		Proceed to Section 4	
		Yes		Provide detail only when a requirement differs from normal manufacturing practice	
Jacking pipe:		Yes		Marine conditions: Yes	Minimum cover:
Cement type:				Admixtures:	
Finishing & repair materials:				Lining/surface treatments:	
Markings:					
Other:	Refer to Section 6 of AS/NZS 4058				
Additional tests:	i.e. other than AS/NZS 4058 requirements				
PROCEED TO SECTION 4					

Section 4. Quantities and delivery advice:					
Quantities specified?		No		Yes	
Delivery address specified?		No		Yes	
Delivery programme specified?		No		Yes
