Dear Owen

Re: Telecom Network Specified Product (TNSP) List

With reference to TNSP application Number 200510, I am pleased to advise that your Channell Shutter Box's SGLB1730, SGLB2436, SGLB2448 and SGLB3048 have been approved for use in the Telecom Network and entered onto the TNSP list (11.7).

You are reminded of your company's responsibility to ensure the product continues to meet the manufacturing and design specifications.

Telecom requires you to advise this office in writing of any proposed changes to the product or your quality system to enable Telecom to consider any impact to its Network. Telecom reserves the right to remove your product from the TNSP list if it is deemed the product is unsuitable for use by our contractors in the Telecom Network.

If you have any queries please don't hesitate to contact me.

Yours faithfully

Ian McCulloch
Senior Implementation Specialist
